KEVIN GORDON APPOINTED TO FLORIDA INTERNATIONAL UNIVERSITY'S
MASTERS OF SCIENCE IN FINANCE ADVISORY BOARD

MIAMI — Kevin Gordon, senior managing director of Berenfeld Capital Markets LLC, has been appointed to Florida International University's Masters of Science in Finance (MSF) Advisory Board.

The MSF Advisory Board is constituted of senior alumni, business leaders and major local organizations that have a strong interest in the prestigious MSF program. The 25-member board plays a hands-on role in the direction of the program, assisting in such things as formulating program curriculum, promoting the program within the South Florida financial community and mentoring MSF students.

A resident of Coral Gables, Gordon is a board member of the South Florida Association for Corporate Growth, ACG Florida Capital Connection and Resident Interactive. He also is a member of the Florida International Bankers Association and the Florida Treasury Management Association.

Berenfeld Capital Markets an affiliate of Berenfeld Spritzer Shechter & Sheer LLP provides merger and acquisition, private placement, debt and equity, and restructuring services with a primary focus on the needs of closely held and mid-sized companies.

Berenfeld Spritzer Shechter & Sheer LLP is one of the largest independent accounting firms in South Florida with offices in Coral Gables and Fort Lauderdale. Founded in 1971, the firm is composed of more than 200 professionals providing accounting, audit, tax, litigation-support and consulting services. The firm serves as a trusted advisor to domestic and international business clients, the legal community and high-net-worth individuals. For more information, visit www.berenfildllp.com.
